Today is the Feast of the Baptism of the Lord

The Second Collection today is for the work of Pro Life

Offered to the Lord

Today as we celebrate the Baptism of Jesus, we are reminded of our own baptisms. For some people that was when we were little children, while for others it took place when they chose to join the Church as adults. In Baptism, we received the gift of the Holy Spirit, not to be kept locked up inside, but to help us follow the example of Jesus and work for the building of God's kingdom. It is through the Spirit that we can show the power of God's love at work in and through each one of us. And that is what God wants us to do. To show his love to everyone so that they will know how special they are in the eyes of God. Live out your Baptism in the love of Jesus as you offer yourself to God.
