Enhanced First Response Volunteer

What will I be doing?

Enhanced First Response was set up to help find those sleeping rough quicker, and pass on valuable information to the Outreach team. You and your partner volunteer will look for referrals, and engage with those you find sleeping rough, before passing on the information gathered to the Outreach Team so they can begin working with them. This role allows those experiencing homelessness to move away from the streets and connect with other services as quickly as possible.

In this role, you will be supporting us with all or some of the following tasks:

- Responding to StreetLink referrals including those from members of the public and self-referrals.
- Working with a partner volunteer to locate referrals and identify those who are rough sleeping.
- Approaching those rough sleeping in a respectful manner and gathering basic information if they wish to engage.
- Passing information about referrals to the Outreach team to follow up on – they will offer support to those rough sleeping to find accommodation and link them into non accommodation based support for example around physical or mental health.
- Adhering to St Mungo's Policies and Procedures at all times.

Where/ When will I be volunteering?

See this role's advert for more information on location and time commitment.

Do I need to have any specific skills?

- Personal resilience.
- Confidence to interact with those you find sleeping rough (we cover the questions you will ask in the training session).
- The ability to work closely with other volunteers and without direct supervision from a member of staff.
- Driving license (preferred but not essential).
- Client and customer focused.
- A friendly personality, good interpersonal skills, enthusiasm and motivation. • Collaborative with good communication skills
- An understanding of the causes of homelessness and its impact.
- Genuine interest in and commitment to St Mungo's work and client group.
- An understanding of and commitment to diversity & equality.
